A two-way community messaging system operated by Devon and Cornwall police.

This service helps us keep you up-to-date by letting you know what is happening in your area as well as providing crime prevention advice, information about appeals and community events.

It also allows you to directly respond to us with information about any crime or appeals.

This service is free to register and you can sign up as an individual or business. You can also choose what information you want to know about and how often you receive it. **Alerts.dc.police.uk**
